LITEBOX® 1MILLION®

RECHARGEABLE, HIGH-INTENSITY
SEARCHLIGHT

Available Colors:

LiteBox® 1Million® is a rugged, rechargeable, fully portable high-intensity search and scene light designed for professional use. Producing 1.25 million candela, it delivers a focused beam with a reach of up to 1.39 miles (2,236m) while providing wide peripheral illumination for area visibility. An articulating head allows precise aiming on elevated or hard-to-reach targets, including power lines and high-rise structures. Built for extended operation, it features a heavy-duty shoulder strap and integrated D-rings for secure, comfortable carry. Ideal for storm response, search and rescue, and scene lighting applications.

KEY FEATURES

- 1,250,000 peak beam candlepower for long-range performance
- 1.39-mile beam reach for maximum distance and area coverage
- Articulating head pivots 135° and rotates 270°
- Fits existing Streamlight LiteBox® chargers
