

The Wedge is a compact, high-performance EDC light designed for clean pocket carry. It's outfitted with an intuitive rotating thumb switch that provides tactile control over the constant-on and THRO™ (Temporarily Heightened Regulated Output) modes.

Made of rugged anodized aluminum with a waterproof USB-C port, the Wedge balances durability with performance.

Features two lighting modes: Constant on and THRO™ (Temporarily Heightened Regulated Output) mode for maximum brightness
300 lumens; 69m beam; runs 3 hours
THRO™: 1,000 lumens; 110m beam; 35 second burst
Battery level indicator located in switch - turns red when it's time to charge
Durable anodized machined aircraft aluminum construction

IPX7; waterproof to 1m; 1m impact resistance tested
5.46" (13.87 cm); 3.3 oz. (93.5g)
